ARTICLE I

NAME AND PURPOSE

Pursuant to the Articles of Incorporation of Kendal Creek Condominiums XIII Association, Inc., and the Condominium Declaration of Kendal Creek Condominiums XIII, recorded in the office of the Register of Deeds for Milwaukee County, Wisconsin, (hereinafter called the "Declaration") by Kendal Creek, Inc., a Wisconsin corporation (together with its successors and assigns hereinafter "Declarant"), the following are adopted as the Bylaws of Kendal Creek Condominiums XIII Association, Inc. (hereinafter referred to as the "Association"), which is a non-stock, non-profit corporation formed and organized to serve as an Association of the owners of Units (hereinafter referred to as "Unit Owners") who own real estate and improvements (hereinafter the "Property") under the condominium form of use and ownership, as provided in the Condominium Ownership Act under the laws of the State of Wisconsin and subject to the terms and conditions of the Declaration, which is incorporated by reference.

These Bylaws shall be deemed covenants running with the land and shall be binding on the Unit Owners, their heirs, administrators, personal representatives, successors and assigns.

ARTICLE II

MEMBERS, VOTING AND MEETINGS

2.1 MEMBERS. The corporation shall have two classes of members, and the rights and qualifications of the members are as follows:

(a) CLASS A MEMBERS.

1. Defined. Class A members shall be all Unit Owners, with the initial exception of the Declarant, and shall have one vote for each Unit owned. Every Unit Owner upon acquiring ownership automatically becomes a member of the Association and remain a member thereof until such time as his ownership of such Unit ceases for any reason, at which time his membership in the Association shall automatically cease.

2. One Vote Per Unit. One Class A membership and one vote shall exist for each Unit excepting those Units owned by Declarant. If title to a Unit is held by more than one person, the membership related to that Unit shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which the title to the Unit is held. Voting rights may not be split, and shared membership interest must be voted pursuant to the nomination contained in the Membership List. The Association may prohibit any Unit Owner from voting at a meeting if the Association has a recorded statement of condominium lien on the person's Unit and the amount necessary to release the lien has not been paid at the time of the meeting.

3. Membership List. The Association shall maintain a current Membership List showing the membership pertaining to each Unit and the person designated to cast the one vote pertaining to such Unit. Only the person so designated shall be entitled to cast a vote in person or by proxy. A designation may be changed by notice in writing to the Secretary of the Association signed by a majority of the persons having an ownership interest in the Unit. Every Unit Owner shall furnish the Association with his or her name and current mailing address. No Unit Owner may vote at a meeting of the Association unless this information is furnished.

4. Transfer of Membership. Each membership shall be appurtenant to the Unit upon which it is based and shall be transferred automatically upon conveyance of that Unit. Membership in the Association may not be transferred, except in connection with the transfer of a Unit. Upon transfer of a Unit, the Association shall, as soon as possible thereafter, be given written notice of such transfer, including the name of the new owner, identification of Unit, date of transfer, name of the person designated to vote, and any other information about the transfer which the Association may deem pertinent and the Association shall make appropriate changes to the Membership List effective as of the date of transfer.

(b) CLASS B MEMBERS.

Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Unit owned. The Class B membership shall cease and be converted to Class A membership when the total votes outstanding in Class A membership equal or exceed the total votes outstanding in Class B membership, or a date not exceeding three (3) years from the first conveyance of a Unit to any person other than a Declarant whichever first occurs.

2.2 QUORUM AND PROXIES FOR MEMBERS' MEETINGS A quorum for members' meeting shall consist of a majority of votes entitled to vote. Votes may be cast in person or by proxy in accordance with designations in the Membership List. The act of a majority of votes present in person or by proxy at any meeting at which a quorum is present shall be the act of the members. Proxies shall be valid only for the particular meeting(s) or time period designated therein, unless sooner revoked, and must be filed with the Secretary before the appointed time of the meeting. If any meeting of members cannot be organized because a quorum is not present, a majority of the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, without further notice. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally noticed.

2.3 TIME, PLACE, NOTICE AND CALLING OF MEMBERS' MEETINGS. Written notice of all meetings stating the time and place and the purposes for which the meeting is called shall be given by the President or Secretary, unless waived in writing, to each member at his address as it appears on the books of the Association and shall be mailed or personally delivered not less than ten (10) days nor more than thirty (30) days prior to the date of the meeting. Notice of meetings may be waived before or after meetings. Meetings shall be held at such time and place as may be designated by the Board of Directors. The annual meeting shall be held on the third Monday in January of each year for the purpose of electing directors and of transacting any other business authorized to be transacted by the members. Special meetings of the members shall be held whenever called by the President or any two members of the Board of Directors and must be called by such officers upon receipt of a written request signed by members with one-third (1/3) or more of all votes entitled to be cast.

ARTICLE III

The initial Board of Directors shall consist of three (3) persons appointed by Declarant, who need not be members of the Association, to serve as hereinafter set forth. Prior to the conveyance of twenty-five percent (25%) of the Common Elements to purchasers, the Association shall hold a meeting and the Unit Owners other than the Declarant shall elect at least twenty-five percent (25%) of the members of the Board of Directors. 3.3 ELECTION AND TERM OF DIRECTORS. At the first annual meeting of the Association after the termination of Class B membership, the members shall elect three (3) directors to be classified with respect to the terms for which they hold office by dividing them into three (3) classes as follows:

(a) One (1) director whose term will expire after one (1) year, at the next annual meeting of the Association.

(b) One (1) director whose term will expire after two (2) years, at the second annual meeting of the Association after his election.

(c) One (1) director whose term will expire after three (3) years, at the third annual meeting of the Association after his election.

The successors to the class of directors whose terms expire as set forth above shall be elected to hold office for a term of three (3) years or until their successors are duly elected and qualified, or until any of said directors shall have been removed in the manner hereinafter provided, so that the term of one class of directors shall expire in each year.

3.4 VACANCIES ON BOARD. Vacancies on the Board of Directors caused by any reason other than the removal of a director by a vote of the members shall be filled by a vote of the majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall be a director until a successor is elected at the next annual meeting of the members at which that class of directors is to be elected.

3.5 REMOVAL OF DIRECTORS. At any regular or special meeting duly called, any one or more of the directors may be removed with or without cause by a majority of the votes of the members entitled to be cast and a successor may then and there be elected to fill the vacancy thus created.

3.6 REGULAR MEETINGS AND NOTICE. A regular annual meeting of the Board of Directors shall be held immediately after, and at the same place as, the annual meeting of the members. Notice of the regular annual meeting of the Board of Directors shall not be required.

3.8 WAIVER OF NOTICE. Before, at or after any meeting of the Board of Directors, any director may in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all of the directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

3.9 QUORUM OF DIRECTORS - ADJOURNMENTS. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. If, at any meeting of

the Board of Directors, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time without further notice. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting as originally called may be transacted.

The foregoing shall not be exclusive of other rights and defenses to which he may be entitled as a matter of law.

4.7 COMPENSATION. No officer of the corporation shall receive any fee or other compensation for services rendered to the Association except by specific resolution of the membership.

ARTICLE V

OPERATION OF THE PROPERTY

5.1 THE ASSOCIATION. The Association, acting through the Board of Directors, shall be responsible for administration and operation of the condominium property, in accordance with the Declaration, the Articles of Incorporation, and these Bylaws. The Association may contract for management services and a managing agent with respect to the administration and operation of the condominium.

5.2 RULES AND REGULATIONS. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the Units, Common Elements, and Limited Common Elements by the Unit Owners and occupants. Such rules and regulations of the Association shall not be inconsistent with the terms of the Declaration or the contracts, documents, and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective Units, Common Elements, and Limited Common Elements by persons entitled thereto.

5.3 COMMON EXPENSES. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the assessments payable by each Unit to meet the estimated expenses of the Association for the ensuing year. The amounts required by such budget shall be allocated among, and assessed against the Units as set forth in the Declaration. The assessment shall be prorated and paid monthly to the Association on or before the first day of each month. If any payment is not made within ten (10) days of the due date, the charges shall bear interest at the rate of twelve percent (12%) per annum until paid in full.

5.4 OPERATING BUDGET. The annual operating budget shall provide for two funds, one of which shall be designated the "operating fund" and the other the "reserve fund." The operating fund shall be used for all expenses of the Association which occur with greater than annual frequency, such as amounts required for the cost of maintenance of the Common Elements and Limited Common Elements, lawn care and snow removal, insurance, common services, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses such as painting or renovation. In the event the Association incurs extraordinary expenditures not originally included in the annual budget, then such sums as may be required in addition to the operating fund shall be first charged against the reserve fund. In the event that both funds prove inadequate to

meet the necessary expenses of the Association, the directors may levy a further assessment against the Units which are subject to assessment equally.

The reserve fund may include such amounts as the Board of Directors may deem necessary to provide for the purchase or lease of any Unit whose owner wishes to sell or lease to the Association. The reserve fund may also be used to discharge mechanic's liens or other encumbrances levied against the entire property, or against each Unit, if resulting from action by the Association. The Unit Owner or Unit Owners responsible for any lien which is paid by the Association, but not the obligation of the Association, shall be specially assessed for the full amount thereof.

The directors may also use the reserve fund for the maintenance and repair of any Unit if such maintenance and repair is necessary to protect the Common Elements. The full amount of the cost of any such maintenance or repair shall be specially assessed to the Unit Owner responsible thereof.

The annual budget shall be prepared and determined by December 15 of each calendar year. The Board of Directors shall advise all members of the Association in writing of the amount of the assessments payable on behalf of each Unit by the date of the annual members' meeting and shall furnish copies of the budget on which such assessments are based to each member.

If within fifteen (15) days after the annual membership meeting a petition is presented to the Board of Directors protesting such charges or the budget upon which they are based, and the petition is signed by members representing more than fifty percent (50%) of the membership entitled to vote with respect to such charges, then the directors shall notify all members of a meeting called for the sole purpose of reviewing such charges or budget. At such meeting, the vote of more than fifty percent (50%) of the membership entitled to vote may revise the budget and charges, and such revised budget and corresponding charges shall replace for all purposes the ones previously established; provided, however, that the annual budget and charges may not be revised downward to a point lower than the average total budget for the preceding two years and provided further, that if a budget and charges have not been established and made for any two preceding years, then the budget and charges may not be revised downward until two years of experience exist.

5.5 DEFAULT. If a member of the Association is in default in payment of any assessments for a period of more than thirty (30) days, the Board of Directors, in the name of the Association, may bring suit for and on behalf of the Association, as representative of all members, to enforce collection of such delinquencies or to foreclose the lien

therefor, as provided by law, and there shall be added to the amount due the costs of suit and the legal interest, together with a reasonable attorney's fee.

5.6 MANNER OF BORROWING MONEY. Upon the affirmative vote of Unit Owners having sixty-seven percent (67%) or more of the votes at a meeting called for such purpose, the Association may borrow money for Association needs and assess Unit Owners a charge sufficient to cover monthly principal and interest amortization. The President and Secretary on behalf of the Association shall be authorized to execute the necessary loan documents.

5.7 MANNER OF ACQUIRING AND CONVEYING PROPERTY. Upon the written consent of seventy-five percent (75%) or more of the Unit Owners, the Association may acquire land in its own name. The President and Secretary on behalf of the Association shall be authorized to execute necessary documents to effectuate the acquisition.

Upon written consent of seventy-five percent (75%) of Unit Owners and mortgagees portions of the Property as described in the Declaration may be sold. However, the Declaration shall be amended to reflect such sale. Proceeds of any sale shall be divided among the Unit Owners according to their percentage of ownership in Common Elements.
